

2011 Business of Winning Luncheon. "COACH EMERITUS"

Angela Pippas MC

"The Winners" is the corporate lunch of the year.

Join our panel of winners as we examine, (not too seriously), the "Business of Winning" and we support the campaign against myeloma.

Interviewer Mike Derum

How good can one corporate lunch be?

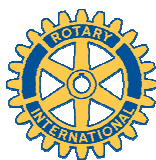

Four coaches, each one a giant of the Australian game with fifteen premierships between them. Each a "Coach Emeritus".

Join us as we are led by our MC - leading sports journalist Angela Pippas - and our resident "all sports tragic," Mike Derum, to light-heartedly look at "the business of winning" and we raise funds to support the battle against myeloma.

Winning isn't everything. It's the only thing!

The Myeloma Foundation of Australia

Beating myeloma... beating cancer

The Myeloma Foundation looks towards a "world without myeloma". We inform and support those living with the disease and we educate those involved in its care and treatment. Our purpose is to help prevent myeloma and control its symptoms and effects by supporting specialists clinicians and researchers enabling those affected to take control of their situation. We work in partnership with their health professionals, raising awareness and understanding among health professionals and the wider community. We create opportunities for fellowship within the myeloma community. We advocate to governments for better support for persons living with myeloma. We are passionate about assisting and improving the quality of life of Australians living with myeloma.
