

The District 9800 Foundation Giving Tree

RI District 9800 Foundation Newsletter

Spring 2018

Looking back to welcome in a new Rotary Year

2016-17 was a huge year for The Rotary Foundation, a year in which we celebrated the centennial of our Foundation.

Coming off The Foundation Centennial year, which was capped with our memorable Foundation dinner function 31 May, we knew that we would still be looking back perhaps more than we were looking ahead so the challenge was to keep the momentum going. An additional challenge was the lower amount of District Designated Funds (DDF) that was available as a consequence of lower club and personal contributions three years earlier.

Nevertheless it was a very positive year for Foundation related activities in D9800. Within the funding available we completed slightly fewer District grants but they were stronger and of higher impact. A new schools' scholarship program was very popular and effective.

Five significant Global Grants were approved as well as two Global Grant Scholarships.

D9800 returned to its status as a PeaceBuilder District with a DDF contribution of US\$25,000 to the Rotary Peace program. Importantly, our "Black Caviar" status was retained with 4 successful nominations to the Peace and Conflict Resolution program.

As a District we contributed US\$38,000 to the PolioPlus program from our DDF as part of a challenge program with clubs for a total of US\$79,000. We plan to extend the challenge program again this year.— read all about it on page 7. Annual giving was below that of the Centennial year but more than 18% above the period 3 years prior and more than 21% ahead on a per capita basis. and new major donors.

The year ahead will see a lot more effort to "fight polio to the finish". DG Bronwyn has her Smartie Campaign, there will be our annual Foundation movie, and the opportunity for clubs to support **Prance in the Park** (see inside for more details). It would be great if clubs could also support World Polio Day on 24 October and consider ways of helping the fight.

November is Foundation Month and clubs are encouraged to provide focus and support for OUR Foundation.

Meet with Your District Foundation Team for 2018-19

Chair: PDG Dennis Shore

Deputy Chair: PDG Murray Verso

Communications/Administration Coordination: Cheryl Pisterman

Endowment Fund Programs: PDG Ian Knight OAM

Humanitarian Grants Chair: Mark Stephens

Foundation Stewardship: Don Heath

Rotary Peace Fellows Program: Rob Helme

		PHF Breakfast 2018	8

District Foundation Goals

- To support the Annual Giving program from every Club with a recommended contribution equivalent to at least A\$150 for every club member.
- To achieve a suggested club contribution of \$26.50 for each club member, to the End Polio campaign, to keep our promise to the children of the world. We have adopted the theme "D9800 – Fighting Polio to the Finish".
- To promote and encourage personal giving through membership of the Centurion Club with a yearly contribution of at least A\$100.
- To promote and encourage Rotarians for whom Centurion membership is challenging to be sustaining members of the Every Rotarian Every Year program (EREY).
- To maintain Paul Harris Society membership at more than 135.
- Encourage every Club to include a Foundation speaker in their annual Club program, particularly in November, the month when Rotary highlights the work of The Rotary Foundation (TRF).
- Every Club to send a representative to at least one Foundation Seminar during the year. NB: Attendance at the annual Grants Seminar is a mandatory requirement for Clubs wishing to apply for a grant from TRF.
- Identify a Post Graduate Global Grant Scholar & successfully nominate at least one Rotary World Peace Fellow.
- Encourage support for the annual Central Melbourne Paul Harris Foundation Breakfast (**28 November 2018**) and Goldfields Cluster's Foundation Dinner on **29 November 2018**.
- To promote and encourage Rotarians to become Benefactors or Bequest Society members.
- Encourage and assist all clubs to complete their Foundation Goals at MyRotary on www.rotary.org

The Rotary Foundation Goals

The Rotary Foundation

End Polio Now and Forever

The Rotary Foundation

Increase the quality and **impact** of Rotary's humanitarian service effort through Rotary Grants and the **Six Areas of Focus**

The Rotary Foundation

Enhance the image and awareness of the Foundation's achievements, particularly the success of PolioPlus and its 100 year record of **Doing Good in the World**

The Rotary Foundation

Strengthen Rotarians' **knowledge, engagement and financial support** for TRF

World Convention Toronto 2018: reflections from a convention goer.

Toronto is a wonderful city with lots of tall buildings, culture and sport. It hosts plenty of conventions. RI President 2017-2018, Australia's own Ian Riseley, held his in Toronto late in June with warm balmy days and long evenings.

The opening ceremony, held at the Air Canada Centre (home of the Maple Leafs), began colourfully with many attendees waving their country flags against a noisy background of music. That was until the music changed to "I am, you are, we are Australian" introducing Ian and Juliet Riseley. At the first bars, the Aussies scattered amongst the 12,550 attending the first opening session (total registration was just over 25,000) all burst into song – very emotional. At least 30 of us added to the colour of the occasion in our End Polio Tees – we were definitely seen and heard.

In his opening address Ian spoke to the theme *People of Action* and announced that his wish that every Rotarian plant a tree had exceeded all expectations with approx 2,500,000 planted around the world.

The first official social function I attended was the "Jazz at the Aquarium" and amid 2,500 excited Rotarians from all over, we queued to get in, queued to get a drink, and waited and wondered if we would get the food. However when the crush eased it was an amazing venue with attendees enjoying the exhibits of fish and other marine creatures including our PDG Murray Verso.

The 80 or so of us from District 9800 had a great time together as well as meeting other Rotary friends from all around the world. A highlight was the Down-under Breakfast held just before the first opening ceremony where approx. 600 Australians and New Zealanders heard RI President Ian and Juliet in a relaxed and comfortable setting recount some of his memories of the past year.

During the four-day event, speakers praised, prodded, and partnered with Rotary in featuring RI's **Six Areas of Focus**. Dr. Tedros Adhanom Ghebreyesus, Director-General, WHO thanked Rotary for partnering in the work to improve the health conditions of so many in the world in its indefatigable fight against polio. Former first lady of the United States, Laura Bush, challenged Rotarians to keep making early childhood education a priority. Helen Clark, former prime minister of New Zealand and one of the architects of the United Nations Sustainable Development Goals, joined RI President Ian in a discussion about gender equality and the crucial link between the

environment, poverty, hunger, and peace.

However, the many stand-out presenters were those who had made a difference in the world either through their work as Peace fellows such as Marie-Paule Attema who is studying at the Rotary Peace Centre in Queensland or instigators of projects benefiting others, be it in literacy, hygiene, water and sanitation (Jeremy Hurst), PDG, District 7020, and chair of HANWASH initiated a series of Global Grants to implement the latest water filter technology in Haiti, one of the poorest nations on earth. Or Ann Gloag, whose Freedom From Fistula Foundation establishes clinics to ensure women's safety during childbirth in some of the remotest parts of Africa. Chief R. Stacey Laforme, a leader of a local First Nations People, protect the financial and cultural identities of First Nations people in the Toronto region.

Our Foundation's significant achievements over the past Rotary year were eloquently presented by outgoing Chair of the foundation trustees, Paul Netzel.

Canadian Prime Minister, Justin Trudeau, attended to accept Rotary's Polio Eradication Champion Award. He thanked Rotary for working with governments worldwide to eradicate polio. "Rotarians play a critical role in the fight to end polio, Trudeau said, "Together we will make that happen."

RI President Elect Barry Rassin announced that next year's Convention will be in Hamburg, Germany. This was my sixth RI World Convention and I would recommend that if you can, you attend one at least one – it is a great way to understand the true international meaning of Rotary International.

Rotarian David Pisterman (Hawthorn)

Our Foundation Grants in 2017-2018

District Grants

District / Club	Activity type	Activity description	Activity Location	Amount Paid (AU\$)
9800	Ed: scholarship	Provide subsistence scholarships to students entering last two years of secondary school	Australia	11,000
Carlton	Ed: scholarship	Scholarship for Australian to attend Masters course in Peace and Conflict Resolution	Czech Republic	2,025

SAVE THE DATE!!!

End Polio Prance in the Park event November 17th, 2018

If your Club is looking for an event to get involved in around World Polio Day on 24th October, here it is and we need Club Foundation Chairs (and Cluster Ambassadors) to tell clubs about it, get another 17 Clubs signed on and drive it to a \$100,000 or more conclusion!

District 9800 End Polio Now Ambassador Susie Cole and Club presidents Amritpal Singh (Southbank) & Kitty O'Connor (Laverton/Point Cook) are organising this major fundraiser for End Polio Now and they need 20 Rotary Clubs to send 5 walkers/prancers to participate in the inaugural End Polio Prance in the Park, featuring punks, princes and princesses! at Albert Park Lake on Saturday 17th November.

This year only 100 walkers can participate as more than that will require Parks Victoria permits, more complicated infrastructure and time to plan, but if this year is a success it will grow to a major event in 2019 & beyond.

Polio Update

In District 9800 we have made a commitment to really do our bit to finally rid the world of this scourge. We have our own theme (D9800—Fighting Polio to the Finish) and the red polio shirts resplendent with our theme have become something of the uniform for the District support team.

At an international level Rotary International has dug deep to achieve that goal as reported recently.

"The fact that no new cases of wild poliovirus have been detected in Nigeria points to the improved surveillance and rapid response protocols Rotary and its Global Polio Eradication Initiative partners have established, particularly in insecure and inaccessible areas," said Michael K. McGovern, chair of Rotary's International PolioPlus Committee. "While this progress is promising, it's time to redouble our efforts so we can continue to maintain the political and financial support necessary to end polio for good."

While significant strides have been made against the paralyzing disease, wild poliovirus is still a threat in parts of the world, with 10 cases in Afghanistan and three cases in Pakistan this year so far. As long as a single child has polio, all children are at risk, which underscores the need for ongoing funding and political commitment to eradication.

To support polio eradication efforts in countries where polio remains endemic, Rotary is allocating the majority of the funds it announced to Afghanistan (\$22.9 million), Pakistan (\$21.7 million), and Nigeria (\$16.1 million).

Further funding will support efforts to keep 12 vulnerable African countries polio-free:

- Cameroon (\$98,600)
- Central African Republic (\$394,400)
- Chad (\$1.71 million)
- Democratic Republic of the Congo (\$10.4 million)
- Guinea (\$527,300)
- Madagascar (\$690,000)
- Mali (\$923,200)
- Niger (\$85,300)
- Sierra Leone (\$245,300)
- Somalia (\$776,200)
- South Sudan (\$3.5 million)
- Sudan (\$2.6 million)

Africa will also see \$5.8 million in funding for surveillance activities and \$467,800 for technical assistance. Additional funding will go to Bangladesh (\$504,200), Indonesia (\$157,800), Myanmar (\$197,200), and Nepal (\$160,500), with an additional \$96,300 funding surveillance in Southeast Asia. The remainder of the funding (\$6.6 million) will go to the World Health Organization (WHO) for research activities.

Rotary has committed to raising \$50 million a year to be matched 2-to-1 by the Bill & Melinda Gates Foundation, yielding \$450m for polio eradication activities over a three-year period. To date, Rotary has contributed more than \$1.8 billion to fight the disease, including matching funds from the Gates Foundation, and countless volunteer hours since launching PolioPlus, in 1985. In 1988, Rotary became a core partner in the Global Polio Eradication Initiative with the WHO, UNICEF, and the U.S. Centers for Disease Control and Prevention. The Gates Foundation later joined. Since the initiative launched, the incidence of polio has plummeted by more than 99.9 percent, from about 350,000 cases in 1988 to 22 confirmed in 2017 AND 14 to date in 2018.

POLIO CHALLENGE

YES, IT IS ON AGAIN FOR 2018-19

As in 2017-18 District 9800 will again commit a substantial part of its DDF (District Designated Fund) to support clubs and individuals who donate to PolioPlus. In fact we will contribute up to \$50,000 in matching contributions

So, here is the deal!

Run a special event* to raise funds for Polio eradication and District will match your funds raised from its DDF allocation one for one.

We will also match personal giving to PolioPlus one for one

But it gets much better than this:

Not only will District match your funds raised from its DDF allocation, but the combined amount will be matched 2 to 1 by the Bill and Melinda Gates Foundation.

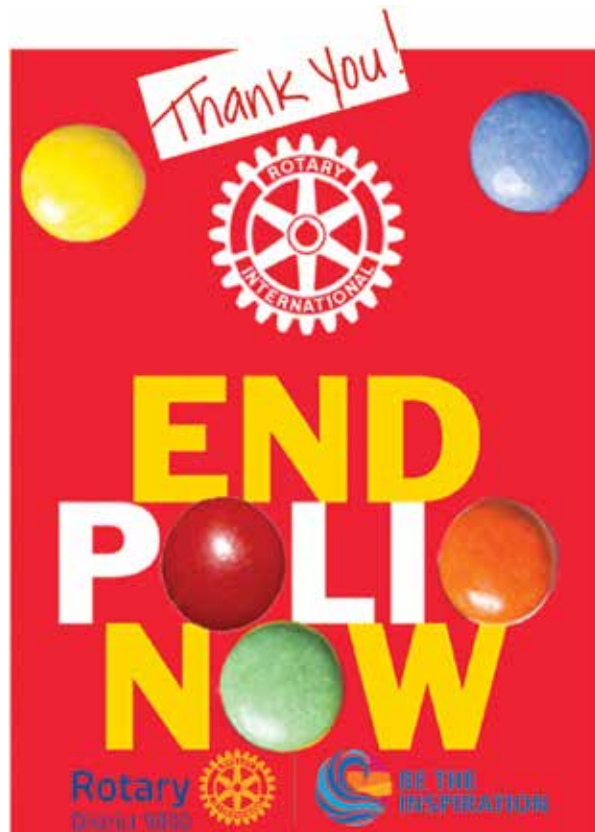

Here is an example:

Club fundraising	\$1,000.00
District match	\$1,000.00
DDF bonus	\$500.00
Sub-total	\$2,500.00
Gates 2:1 match	\$5,000.00
Total impact	\$7,500.00

If your club makes a donation to PolioPlus as part of your annual giving to The Foundation, it will also receive a 1:2 DDF match as a "thank you" for your proactive support. # This will also receive the DDF bonus and the 2 for one match from the Bill & Melinda Gates Foundation.

All donations must be banked by 31 May 2019.

Clubs have been asked to consider donating \$26.50 towards PolioPlus for each member.

What is a special event?

Really anything you want it to be—from a trivial pursuit night to a club movie night, to buying and selling a special batch of Rotary Fruit cakes. Or filling up the DG's jar of smarties. Other examples include:

The annual movie night arranged through Rotary Australia will be on or near November 1, 2018 and we will be looking to arrange several showings. Net receipts will be matched one for one.

Purchase a District tie or scarf and net proceeds will be matched one for one.

*There is always an *. District does not have unlimited DDF but will match up to \$50,000—so there is a challenge for clubs to make a difference.

Purchase of the tie and scarf represents a donation to The Rotary Foundation, and District 9800's commitment to peace.

Cost: \$100.00 each

(tie—tax deductible donation to Rotary Foundation of \$76.00)

(scarf—tax deductible donation to Rotary Foundation of \$62.00)

Our District has been part of Rotary International Peace Scholar program since its inception.

Through our service projects, Peace fellowships and Global scholarships, our members are taking action to address the underlying causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and the unequal distribution of resources.

The image of the dove is a representation of the Rotarian Action Group. More information may be found at:

Rotary
District 9800

26th Rotary Foundation Paul Harris Breakfast

Wednesday, 28th November 2018

GUEST SPEAKER

**Air Chief Marshal Sir Angus Houston
AK, AFC (Ret'd)**

Sir Angus Houston AK, AFC (Ret'd) was awarded the Knight of the Order of Australia in January 2015 for extraordinary and pre-eminent achievement and merit in service to Australia, through distinguished service in the Australian Defence Force, continued commitment to serve

the nation in leadership roles and in a variety of roles in the community.

In July 2011, Sir Angus retired as Chief of the Australian Defence Force after 41 years of service in the military. In 2011, he was named the Australian Father of the Year and in 2012, the ACT Australian of the Year.

Sir Angus serves on numerous public roles including as Chancellor for the University of the Sunshine Coast, and Victorian Police Corporate Advisory Group. He is a Board Member of the Lowy Institute for International Policy, the Australian Cancer Research Foundation, the Anzac Centenary Public Fund Board and the Victorian Police Executive Command.

He is the Ambassador/Patron of numerous charitable organisations, including Bravery Trust, the Australian American Association Canberra Chapter, Griffith University's Glycomics Childhood Leukaemia Project, Shelterbox Australia, Tropical Brain and Mind Research Foundation and the Centenary of Anzac Centre.

In July 2014, Sir Angus was appointed as the Prime Minister's Special Envoy to lead Australia's efforts to help recover, identify and repatriate Australians killed in the Malaysia Airlines flight MH17 disaster. He also led the Joint Agency Coordination Centre coordinating the Australian Government's support for the search into missing Malaysia Airlines flight MH370 in 2014.

In 2012 Sir Angus led the Expert Panel on Asylum Seekers. Sir Angus was Chair of the Anzac Centenary Advisory Board from July 2011 until March 2014. The Board provided strategic advice to the Australian Government in relation to the planning and implementation of the Anzac Centenary 2014-2018.
